# INTRODUCTION

Welcome to the Warfare Edition of Gamer Box Drop.

This is a technical manual that serves as an introduction to the contents inside and as an addition to the aesthetics of the drop. This drop was made to enhance your gaming experience and to help immerse yourself while you play your choice of video games and can also serve as a fun stand alone experience so the choice is entirely up to you.

The ammo can used as a carrying case/package for the edition also serves as a collectable item that is great for showcasing its distinctive design and historical structure. The ammo can can also be emptied out and used as a unique storage box for anything you want as long as it fits.

Read through the manual to get a better understanding of your drop or if your are familiar with the contents already feel free to just keep this manual for the aesthetics.

Good luck, and enjoy.

## SECTION II: FUEL

**1. Lid.** Pull the top of the tab to open.

**2. Neck.** For narrowing liquid intake.

**3. Shoulder.** For product durability.

**4. Brand/Product Name.** For product identification.

**5. Content Label.** Content confirmation

A classic refreshing gaming fuel any gamer could use for their sessions. A tasty sugar free drink sure to satisfy that sweet tooth in the midst of virtual combat or adventure. Just enough sweetness and caffeine to help you stay focused on whatever task at hand while drinking this new suagr free version of Mountain Dew.

**4**

- 1. Lid.** Pull the top of the tab to open.
- 2. Neck.** For narrowing liquid intake.
- 3. Brand/Product Name.** For brand identification.
- 4. Center Body.** For balanced grip.
- 5. Flavor Info.** To inform user of flavor intent.

A common drink for gamers who have a long night ahead of them and need a little pick me up. Tropical Sunrise is sure to help you process information better with a healthy amount of caffeine, vitamins A & C, antioxidants, and no added sugar to keep you from sugar crashes later on too. Great for gaming or a simple and refreshing energy drink.

## SECTION III: SUSTENANCE

### MRE PIZZA

Get a taste of what eating an actual **MRE pizza** is like. There are many who love it and there are many who dislike it, but in the end this is what keeps soldiers going and alive in warzones. In this instance, it'll keep you alive for your simulated war.

### FIRST STRIKE

This is an **MRE energy bar** for when you have a long gaming session ahead of you and you are feeling a bit peckish. These energy bars are also used for sustenance in combat

### SRE DORITOS

The classic gamer snack in the form of a **Snack, Ready-to-Eat**. Same great flavor and crispness, but stylized for the warfare emmersion. Don't forget to check out Section V to learn more about using equipment with the snacks.

## SRE CHEETOS

Another classic gaming snack to enhance any gaming session when you are in the mood for a cheesy and crunchy snack. This snack also pairs great with the equipment included in this **Warfare Drop**.

## SRE TROLLI GUMMIES

No gaming session is complete without candy to sweeten things up and to keep you on your toes these sour then sweet gummies will be sure to jolt your tastebuds.

## SRE GOURMET POPCORN

An ideal choice for long gaming sessions that require an entire bowl or bag of pop corn to keep yourself entertained and snacking for the duration of the game you're playing.

## SECTION IV: MERCHANDISE

This is an exclusive merch design for the Warfare edition of Gamer Box Drop. Not only can you game in style wearing this, but it is also made from high quality fabric for a comfortable fit to make those long gaming sessions feel like a breeze.

Of course when you go outside and touch grass you'll be able to fit right into society again yet you'll be able to show a subtle nod to others about your passion and maybe even encounter others cut from the same cloth as well.

An exclusive custom tactical beanie for those colder days to keep your head warm. A simple yet highly effective design to let people know your mind is currently loading all of the gaming content you have just consumed and need a moment before they can interact with you.

Included in this drop is a pack of gaming water proof vinyl decal stickers to customize the ammo box this came in and or your own possessions.

## SECTION V: EQUIPMENT

A tool that is not as common to most people, but one of great value. Designed to keep your fingers from getting messy from food to help maintain your gaming equipment clean and snack debris free. A perfect pairing with any of the snacks in this drop and outside of this drop for your daily needs. Simply place the finger chopsticks between two of your fingers and open and close those fingers when required to use the tool as an extension of your body for picking up small objects.
